i tried to send this through USPS but it was not delivered.
i can not afford to have it faxed.

men with guns threaten to take me to jail if i go to CITY HALL and do not falsely identify myself with a legal name and falsely impersonate a legal person of your corporation and perform commercial commerce as an instrumentality of United States on behalf of international bankers who are the receivers of the United States bankruptcy.

the only means available to my to convey this notice to your corporation is email.
to wit:
men acting as agents of and for your corporation, claim unambiguously and absolutely that i am BRIAN ROARK.
men acting as agents of and for your corporation, claim unambiguously and absolutely that BRIAN ROARK is my name.
men acting as agents of and for your corporation, claim unambiguous and absolute authority over BRIAN ROARK.
men acting as agents of and for your corporation, claim unambiguous and absolute authority over my own mind, (free will), body (holy temple), and soul (sacred spirit).

my living soul is in bondage as a direct result of fraudulent claims. my soul is scarred for life. your corporation has killed many people and i am lucky to be alive

but live in constant fear for my live. my name is written in the book of life and the devil does not own my soul but through solely through the acts and deeds of men and women acting on your behalf, i am forced into bondage by men with guns for the sole purpose of performing commercial commerce on behalf of foreign bankers who are the receivers of the United States bankruptcy.

i require absolution of this matter so i can stop living in constant perpetual fear for my life.
make sure everyone in your corporation is notified. this matter must be resolves immediately and permanently.

if no man or woman acting as agent of and for your corporation is willing to express you claim in writing with their own wet ink signature and endorsement notarized under penalty of perjury as true, correct, complete and certain, and provide actual true verified facts of absolute unambiguous evidence of that positively proves your claim then your claim must be immediately and permanently nullified.

i require everyone in your corporation be notified immediately to determine exactly who possesses actual first-hand knowledge and positive proof of true verified facts of absolute unambiguous evidence your claims are true, correct, complete, and certain, or heretofore and forever hereafter concede that i am the self-aware living soul of god existing within the living flesh and blood man of god created by the will of god in the image of god on land of god with dominion of god and i am free and sovereign.

 - o Brian Douglas Roark and every derivative thereof are counterfeit copies of me, and
4. that, I exclusively possess sole power and authority over my mind (free will), body (holy temple), and soul (sacred spirit), and

• commerce, by the law of nations, ought to be common, and not converted to monopoly and the private gain of a few.

• ignorance of the law does not excuse misconduct in anyone, least of all a sworn officer of the law.

you make fraudulent claims that cause me extremely high-level stress and duress from anxiety of constant, persistent, perpetual fear for my life from the actual true threat of imminent mortal danger conveyed by ignorant violent unreasonable men you knowingly, willfully, and intentionally employ to solicit compulsory commercial commerce by force of arms on your behalf.

as a direct result of your fraudulent acts and deeds, I exist now in a constant state of perpetual fear for my life from ignorant violent unreasonable men with no principles, no apparent knowledge of, or regard for, the law, and absolutely no concern for my life, safety, or happiness. said men are employed and trained to use deadly force against me, and others, on your behalf, in order to compel our performance to participate in compulsory commercial commerce as instrumentalities of United States, without being fully informed, without our freely giving consent, and against our own god given free will.

• there is no disputing against one who denies first principles.

• no commerce should be in illicit goods. slave-trade. the traffic in slaves, or the buying and selling of slaves for profit.

your willful unlawful acts and deeds in pursuit of commercial commerce on behalf of United States cause permanent irreparable damage to me that will last my lifetime and can never be undone. a living soul god can not be compensated for being unlawfully conveyed into bondage of, and for, Satan. your unlawful acts and deeds cause me to suffer severe mental anguish that permanently damages my peace and happiness for the rest of my life.

to protect myself from further injury caused directly by your fraudulent claims, I must require you immediately unambiguously prove your claims are absolutely true, correct, complete, and certain or, immediately unambiguously acknowledge your claims are fraudulent, concede fraud, and agree to accept full liability in your unlimited capacity for all damages caused, directly and or indirectly, by your acts and deeds of fraud. *power tends to corrupt. absolute power corrupts absolutely.*

do you possess any actual personal first-hand knowledge of true positive proof of verified facts of unambiguous evidence your claims are absolutely true, correct, complete, and certain?

i diligently searched intensely day and night for several years and found absolutely no positive proof of verified facts of unambiguous evidence your claims are true, correct, complete, and certain, and i am absolutely certain no such facts of evidence exist.

i only seek the truth, the law never suffers anything contrary to the truth. law favoreth truth, faith, and certainty. an act of law does no one wrong. to injure is wrong. the greatest enemies to peace are force and wrong. what is good and equal, is the law of laws. a hidden intention is bad. *fiction yields to truth. where there is truth, fiction of law exists not. a fiction of law injures no one.*

- no one is believed in court but upon his oath. an infamous person is repelled or prevented from taking an oath. an oath is indivisible, it cannot be in part true and in part false. there is no stronger link among men than an oath. good faith demands that what was agreed upon shall be done. good faith must be observed.
